

## The Manage Your Muse Find-a-Word Game

Resolutions!

You know how to do this: Find the following words in the box below. They can be up, down, or diagonal, and forwards or backwards. Have fun!

P.S. A couple of words created themselves when I put this puzzle together: loser and canal. They have nothing to do with the theme of the puzzle, *especially* loser. But you might see if you can find them, too.
